Minutes of the Meeting

Date: 18-05-2024

The Board of Studies meeting of Department of CSE, AI&DS, CSBS, IT held on 18-05-2024 at Artificial Intelligence Lab of Syed Ammal Engineering College, Ramanathapuram.

Dr.N.Karthikeyan, Chairman, Board of Studies of the Computer Science and Engineering & Information Technology welcomed and introduced the BoS meeting. He started the presentation with brief introduction of the departments associated with School of computing and explained the highlights of the new curriculum to the members.

- First year curriculum of B.E. Computer Science and Engineering, B.Tech. Artificial Intelligence and Data Science, B.Tech. Computer Science and Business Systems, B.Tech. Information Technology for the students admitted during the academic year 2024-2025 and onwards were resolved to approve.
- The syllabi of I and II semester of B.E. Computer Science and Engineering, B.Tech. Artificial Intelligence and Data Science, B.Tech. Computer Science and Business Systems, B.Tech. Information Technology for the students admitted during the academic year 2024-2025 and onwards were resolved to approve.
- BOS Members recommended to change the name of the subject Programming in C to Problem Solving Using C and recommended to extend the problem solving concepts in the syllabus.
- BOS Members recommend to include the Object Oriented Programming concepts in Object Oriented Programming with Python and recommended to include advanced concepts of python in that course and change the subject title to Programming in Python.
- BOS Members recommended to include Red Black Tree and quick sort in Data Structures.
- BOS members suggested to include Probability and Statistics in the second semester for B.Tech Artificial Intelligence and Data Science and B.Tech Computer Science and Business Systems.
- First year curriculum of M.E. Computer Science and Engineering for the students admitted during the academic year 2024-2025 and onwards were resolved to approve.
- The syllabi of I and II semester of M.E. Computer Science and Engineering for the students admitted during the academic year 2024-2025 and onwards were resolved to approve.

Minutes of the Meeting

Date: 04-07-2025

The Board of Studies meeting of Department of CSE, AI&DS, CSBS, IT held on 04-07-2025 at Artificial Intelligence Lab of Syed Ammal Engineering College, Ramanathapuram.

Dr.N.Karthikeyan, Chairman, Board of Studies of the Computer Science and Engineering & Information Technology welcomed and introduced the BoS meeting. He started the presentation with brief introduction of the departments associated with School of computing and explained the highlights of the new curriculum to the members.

- The Curriculum of Higher years (II, III, IV) was approved for the following programmes B.E. Computer Science and Engineering, B.Tech. Artificial Intelligence and Data Science, B.Tech. Computer Science and Business Systems, B.Tech. Information Technology for the students admitted during the academic year 2024-2025.
- The III semester syllabi of the above programmes were also resolved to approve.
- BOS Members recommended to change the name of the course Java Programming Laboratory to Object Oriented Programming with Java Laboratory.
- BOS Members suggested teach the theory and lab separately for the course Data Base Management System (previously designed as Theory cum Lab) and recommended to move the course to fourth semester since there are more labs in the third semester.
- BOS Members recommended to include mini project in the sixth and seventh semester so that they can have continuous touch in doing projects.
- BOS members suggested to change the course Algorithms to Design and Analysis of Algorithm in the fourth semester.
- Second year curriculum of M.E. Computer Science and Engineering for the students admitted during the academic year 2024-2025 and onwards were resolved to approve. The syllabi of II semester of M.E. Computer Science and Engineering for the students admitted during the academic year 2024-2025 and onwards were resolved to approve.
- Courses Python Programming and Python Programming Laboratory are included in the curriculum of B.E. Electronics and Communication Engineering, Electrical and Electronics Engineering and B.Tech. Biomedical Engineering for the third semester students admitted during the academic year 2024-2025 and onwards were resolved to approve.
- The course Professional development is included in Department of Civil Engineering was resolved to approve.
