- ✓ BOS members have discussed the curriculum and syllabus for the M.E - Manufacturing Engineering program for semester I and semester II, and agreed on recommending to the academic council for the approval the curriculum and syllabus for those two semesters.
- ✓ BOS members have discussed the curriculum and syllabus for the B.E - Mechanical Engineering program for semester I and semester II, and agreed on recommending to the academic council for the approval the curriculum and syllabus for those two semesters.
- ✓ The introduction of the subject Programming in C (both theory and lab) in the UG first semester has been discussed, and the BoS members are suggested to include it in the first semester.
- ✓ BoS members discussed the syllabus for basic civil and mechanical engineering for the B.E Electrical and electronics engineering course and recommended it to the academic council.
- ✓ A syllabus for the Engineering Practice Lab Part A for all the UG courses in the second semester has been discussed and recommended to the academic council by the members of the BoS.
- ✓ A syllabus for the Engineering Graphics for all the UG courses in the second semester has been discussed and recommended to the academic council by the members of the BoS.
- ✓ Finally, all the members of the Board of Studies proposed some key points that could be used to make the whole program of UG and PG courses a better curriculum.

The suggestions given by the University Nominee and the experts will be considered for inclusion in the curriculum and syllabus. These suggestions are highly valuable for refining the curriculum. Finally, the meeting concluded with a vote of thanks by **Dr. S. Karthikeyan, Chairman, BoS**. The Chairman expressed gratitude to all the members for their valuable suggestions.
