1. Dr.B.Jayalakshmi, Chairman, Board of studies of the Faculty of Science and Humanities welcomed and introduced the BOS members for the First BOS meeting. She started the presentation with a brief introduction about the department.
2. Board of Studies Chairman, Dr.B.Jayalakshmi presented the proposed curriculum for the First and Second semesters of
  - 1) B.E./CSE
  - 2) B.E./EEE
  - 3) B.E./MECH
  - 4) B.E./CIVIL
  - 5) B.E./ECE
  - 6) B.Tech./IT
  - 7) B.Tech./CSBS
  - 8) B.E./BME and
  - 9) B.Tech./AIDS for the students admitted from the academic Year 2024-2025 onwards.

She also presented the continuous evaluation system and end semester examination system.

3. The Division Head of English, Dr.R.Kavitha presented the proposed syllabi for the courses offered by the English Division to the First and Second semester UG students admitted from the Academic Year 2024-2025 onwards.
4. The Division Head of Mathematics, Mrs.P.R.Amutha Shri presented the proposed syllabi for the courses offered by the Mathematics Division to the First and Second semester UG students admitted from the Academic Year 2024-2025 onwards. Also, she presented the proposed syllabi of a course offered to M.E.- CSE, M.E.-VLSI Design, M.E- Embedded systems & Technologies , M.E.- Manufacturing Engineering in the first semester for the students admitted from the Academic Year 2024-2025 onwards.

5. The Division Head of Physics, Mr.T.Ilayarajan presented the proposed syllabi for the courses offered by the Physics Division to the First and Second semester UG students admitted from the Academic Year 2024-2025 onwards.

6. The Division Head of Chemistry, Dr. B.Jayalakshmi presented the proposed syllabi for the courses offered by the Chemistry Division to the First semester UG students admitted from the Academic Year 2024-2025 onwards.

The syllabus of following theory and lab courses were discussed.

The following suggestions were provided by the University Nominee, Subject experts, Industrial Expert and Alumni.

The Anna University Nominee and the industrial expert suggested to improvise the quality of question paper based on Blooms Taxonomy and they advised to frame the question paper layout for the end semester examinations after having discussion with the Controller of the Examinations.

1. The University Nominee Dr.R.Ram mohan instructed to display the internal results within five days from the conduction of examinations.
2. Assignments should be given periodically and CO/PO mapping may be improvised for all subjects based on the suggestions given by the University Nominee and the Subject experts.
3. University Nominee instructed as to confirm the subject codes after having discussion with COE.
4. The Subject expert of English, Dr.R.Kannan suggested to reduce some of the topics in the first unit of Professional English – I in the Semester I, and include E-Resources for the reference in the syllabus.
5. The Subject expert of Physics, Dr.M.Vimalan suggested to include Nano Material topics in the Physics for Civil engineering in the second semester of Civil Engineering department and Medical Physics in the second Semester of Biomedical Engineering Department. He also suggested to change the topic of Unit 5 as Nanodevices instead of Nano Electronic devices for Material Science in the second semester of Mechanical Department.
6. The University Nominee, Dr.R.Ram mohan suggested to rearrange the list of books in the references of Statistics and Numerical methods in Semester II for all departments and also insisted to include tutorial in Mathematical subjects of Post graduate program wherever it is necessary.
7. The Subject expert of Chemistry, Dr.J.Rajesh suggested to include Chemistry Laboratory related topics in the Unit II and also suggested to include topics that are applicable to School of Computing in Engineering Chemistry of Semester I.
8. Except the above mentioned suggestions made by the University Nominee, Subject experts and Industrial expert, all other units of all theory and lab courses were approved.

The suggestions given by the University Nominee and the experts were considered in the curriculum and syllabus. The suggestions are very much useful for refining the curriculum. Finally, the meeting ended with a vote of thanks by Dr. B.Jayalakshmi, Chairman BoS. The Chairman thanked all the members for their suggestions given by the member.

The modified curriculum and syllabi after incorporating all the above suggestions are attached herewith for the kind perusal of the Members of the Board of Studies.
