74.	Mr. Gurumoorthy	Civil	2018
75.	Mr. Vignesh	Civil	2018

The following points were discussed.

- Before the formal meeting, the Faculty Members and Alumni made self-introduction about themselves.
- Dr. N. Karthikeyan, HOD, PG/CSE welcomed the gathering and briefed about the Alumni Technical Convention held on 23.08.2019 and 24.08.2019 in the college campus.
- Dr. M. Periyasamy, Principal underlined the importance of Role of Alumni for the development of the institution. Principal also thanked the Alumni for their extensive support and encouragement given by them for the successful conduction of Alumni Technical Convention held on 23.08.2019 and 24.08.2019. He told that about 50 numbers of Alumni took part in the convention and delivered guest lectures, seminars, hands – on training and made the function more memorable and fruitful. The greater transformation has been made in the minds of students after the Alumni Technical Convention and students gave excellent feedback about the events. Students also requested the Management to conduct such Alumni Technical Convention every year so as to gain more knowledge and experience.
- Principal also stressed the Alumni to give support to the college Management and Principal by having frequent visits to the college to interact with students and faculty members. Also, he underscored that Alumni can deliver Seminars, Lectures through video conferencing facility. Principal also underlined the importance of Alumni – Students Mentorship Programme as well as the conduction of Project Competition by the Alumni for the Third Year or Second Year Students in future.

The following suggestions were given by the Alumni

Mr. S. Mohamed Shafiullah (2006 - 2010 Batch ECE)

- He requested the College Management and Principal to make arrangements for training the students in any one of the Foreign Languages.
- Students must improve their programming skills in the current trends.
- He requested the Management to conduct Alumni related events in the college twice in a month.

Mr. P. Vigneswaran (2000- 2004 Batch ECE)

- He stressed that Students must possess the habit of punctuality. Also, students should learn knowledge beyond the syllabus and they must involve themselves in Extra-curricular and Co-curricular activities.
- Each Department must create R & D center in their department with good expertise and also they should concentrate on research in recent technologies.

- Each department can utilize the knowledge of the lateral entry students by exposing them to do good projects.

Mr. S. Saranraj (2003 – 2007 Batch ECE)

- Exposure on creating employability should be provided to the students. We should make them as job providers rather than job seekers.
- He told that he is taking efforts for creating Google chapter in the college.

Mr. P. Sudhakar (2003 – 2007 Batch IT)

- Students must be trained to become entrepreneurs and they should create employability for others.
- Students must be motivated to undergo various online courses and they should improve their technical skills.
- Alumni should visit the college at frequent intervals and they have to interact with the students in recent trends.

Mr. KCR. Nagararjun (2009 – 2013 Batch Mechanical)

- Campus Connect Programme should be conducted for every year with more flavor and flourish.
- Alumni are ready to interact with the students through online platforms such as SKYPE.
- College should take efforts to get center of excellence with good number of companies to do good research and get placement for the students.
- Newsletter maybe prepared by the college for every quarter to publish events conducted in the college and it should be circulated to Alumni through E-Mail to get connected with the college.

Mr. Jagadeesh (2011 – 2015 Batch CSE)

- More number of start up companies to be brought in to the college for the students to grasp more technical knowledge and to know about the expectations of the industries.
- Students must possess and acquire fundamentals in their core subjects for facing many interviews in the companies.

B. Rajaram (2005 – 2009 Batch CSE)

- Student – Mentor system followed in our college played the vital role in developing strong relationship between faculty and students. It should be continued forever to create friendly atmosphere in the college campus.
- Students must have good and strong basic knowledge in their subjects.

M. Levin Madhusudan (2006 – 2010 Batch ECE)

- Appreciated the College Management and Faculty members for conducting Campus Connect Programme in 2018 as well as Alumni Technical Convention in the Year 2019. It has created good mindset among the Alumni to give back something to the college by means of visiting the college and interacting with the students. All Alumni should come forward and provide some contribution to students by sharing their knowledge and expertise.
- In the coming years, more number of Alumni needs to be contacted and connected with Alumni association to get good strength of Alumni contacts.

Jalvathi (2000 – 2004 Batch EEE)

- Praising the college about the discipline maintained in the college and he stressed that more number of patents to be filed from the college in order to get good name among the academic circles.

S. Gokulapandiyan (2014 – 2018 Batch Mechanical)

- Conduction Alumni Get together is a good platform for the recently graduated students to get more contacts and more opportunities from their seniors. They must use it effectively.

S. Senthilkumar (2000 – 2004 Batch ECE)

- Suggested that Alumni Meet should be recorded as Videos and it must be displayed either in the College TV or website so that the students might know about the what was discussed in the meeting. It may be fruitful to them as well as they will attend these Alumni meet when they will come out from the college.

M. Hemnath (2006 – 2010 Batch EEE)

- Needed more number of faculty interactions with the Alumni for organizing more Alumni oriented events in the college.

V. Dinesh (2006 – 2010 Batch EEE)

- The real strength of the Syed Ammal Engineering College is Discipline and it should be continued forever in the college campus.

R. Kalyana Sundaram (2009 – 2013 Batch Mechanical)

- Students must be motivated to do good projects in every semester in order to get more practical knowledge
- The relationship between faculty members and students must be good for healthy environment.

T. Ramesh (1998 – 2002 Batch ECE)

- All the students and graduates should have LinkedIn account for better technical knowledge sharing.

- Involvement of faculty members and students is required for connecting Alumni with college.

S. Mohammed Muzzamil (2012- 2016 Batch CSE)

- Need immediate approval from college authorities for organizing cultural programmes in the college campus by the Alumni.

A. Rajkumar (2009 – 2011 Batch MBA)

- Alumni should visit the college whenever it is possible and interact with the juniors about the industry needs. Recently graduated students should utilize the Alumni meet for their professional growth.

M. Muhundhani (2012- 2016 Batch Civil)

- Expressed her happiness about attending the Alumni for the first time.

Dr. K. Jeyabalan, Placement Officer proposed vote of thanks and the meet was concluded at 9.30 P.M. with dinner.

Response to the Alumni

All the points given by the Alumni are very important. The Management, Principal and all HODs will consider all the above suggestions for the development of every individual.
